

## **BAB V**

### **KESIMPULAN**

Fenomena gelombang pengungsi saat ini sedang banyak terjadi di dunia, tidak terkecuali di negara Libanon. Pada umumnya krisis kemanusiaan yang terjadi di Suriah yang menyebabkan gelombang pengungsi semakin parah di berbagai wilayah. Dalam kondisi ini, logisnya menghadirkan konsekuensi yang berat bagi warga Libanon itu sendiri. Berbagai macam cara ditempuh untuk mengurangi dampak yang disebabkan pengungsi Suriah di Libanon. Bukan hanya bagi warga Libanon tetapi kondisi sulit juga dirasakan oleh pengungsi Suriah, terutama pengungsi anak. Dimana mereka memiliki hak khusus yang tercantum dalam *UN Convention on the Rights of the Child* (UNCRC), salah satu artikel berbunyi setiap anak berhak didahulukan haknya di dalam situasi apapun. Namun kenyataannya di Libanon yang merupakan salah satu negara yang meratifikasi UNCRC, tidak semua pengungsi anak mendapatkan haknya bahkan yang dasar sekalipun.

Pada Maret 2014 pemerintah Libanon mengeluarkan pernyataan bahwa pemerintah Libanon kesulitan dalam menangani masalah gelombang pengungsi Suriah tersebut. Dalam pernyataannya disebutkan pemerintah Libanon memanggil komunitas internasional dan negara-negara Arab untuk bertanggung jawab dalam membantu Libanon memenuhi kewajiban kemanusiaannya.

Adanya situasi dan kondisi hak anak yang tidak sepenuhnya tercapai serta fenomena gelombang pengungsi yang semakin parah membuat UNICEF sebagai komunitas internasional yang melindungi hak anak turut mengambil upaya dalam melindungi hak pengungsi anak. Melihat hal tersebut peneliti mengambil rumasan

pertanyaan yaitu “*Apa Upaya UNICEF (United Nations Children’s Fund) dalam Menangani Pemenuhan Hak Pengungsi Anak Suriah di Libanon Tahun 2013-2015?*” .

Melalui rumusan pertanyaan tersebut peneliti menarik kesimpulan sebagai berikut terkait hak-hak anak:

*Pertama* hak akan pendidikan, UNICEF menyediakan sarana belajar, bantuan dana, kelas remedial, program adaptasi terhadap kurikulum Libanon, kampanye “Back to School” di media massa dan program RACE (*Reaching All Children with Education in Libanon*).

*Kedua* hak akan perlindungan, UNICEF melakukan Bantuan *winter kit* (selimut, matras, bantal, penghangat, pakaian musim dingin). Meningkatkan kesadaran akan *Gender Based Violence* (membuat video dan diskusi), dan membuat pemukiman sementara.

*Ketiga* hak akan kesehatan, UNICEF melakukan Membuat akses sanitasi air, menyediakan vaksin polio dan campak gratis, diadakan pembersihan sungai dari menumpuknya sampah/limbah padat, dan menyediakan fasilitas klinik medis keliling. Sedangkan hak akan makanan UNICEF melakukan penyediaan air minum siap konsumsi, program Strategi Sektor Air Nasional.

*Keempat* hak akan identitas dan kebangsaan, UNICEF mendukung kampanye “Give Your Child a Name”, meningkatkan kapasitas SDC (*Social Development Center*) dan PHC (*Primary Healthcare Center*) untuk menyediakan informasi dan memonitor pendaftaran kelahiran.

*Kelima* hak akan bermain dan rekreasi UNICEF merayakan hari internasional anak perempuan, program pendidikan non-formal (bermain sambil belajar), dan menyelenggarakan Youth Festival.

*Keenam* hak akan persamaan dan peran dalam pembangunan UNICEF bekerja sama dengan walikota untuk mengurangi tensi antara pengungsi Suriah dan

masyarakat lokal Libanon. Sedangkan hak akan peran dalam pembangunan menyelenggarakan Hoops Club (ajang pertemuan kreatif antara pengungsi anak Suriah dan anak lokal Libanon), Menyediakan Summer camp untuk memperingati hari remaja internasional bagi remaja Suriah dan Libanon.

Berdasarkan upaya-upaya tersebut memperlihatkan keseriusan UNICEF dalam mengimplementasi hak-hak anak yang tercantum dalam *UN Convention on the Rights of the Child*. Dilihat dari upayanya, UNICEF fokus melindungi hak anak terutama pendidikan, perlindungan, dan kesehatan, identitas, kebangsaan, bermain, rekreasi, persamaan dan peran dalam pembangunan yang telah memiliki banyak program. Maka bisa disimpulkan bahwa upaya UNICEF dalam memenuhi hak anak Suriah di Libanon dikatakan cukup baik karena telah memberi perlindungan dalam berbagai aspek hak anak Suriah di Libanon. Namun ada beberapa aspek hak seperti nama dan identitas yang programnya tidak diketahui seberapa banyak anak yang telah mengikuti program tersebut. Sehingga peneliti berharap UNICEF lebih mempromosikan program-programnya lebih gencar lagi.

Peneliti melihat sejauh ini program kerja UNICEF cukup baik. Oleh karena itu peneliti berharap UNICEF lebih meningkatkan upayanya dengan cara berinovasi melalui program-programnya di setiap aspek hak anak.
