

BAB V

Simpulan

Merujuk pada pertanyaan penelitian yaitu **“Bagaimana pemberitaan CNN mengenai konflik antara Korea Selatan dan Tiongkok mengenai Terminal High Altitude Area Defense (THAAD) dalam menjalankan fungsi komunikasi internasional?”** penulis dapat mengambil simpulan bahwa CNN telah menjalankan fungsi komunikasi internasional yaitu dalam hal mendinamisasikan hubungan internasional dan menghindari kesalahpahaman antar pemerintah. Selama pemberitaan yang dilakukan, CNN menulis berita secara internasional dan menjalankan prinsip komunikasi internasional jurnalistik dengan menghubungkan aktor-aktor yang terlibat dalam isu THAAD seperti Tiongkok, Korea Selatan, Rusia, Amerika Serikat dan Korea Utara. Namun inti dari konflik tersebut melibatkan Tiongkok dan Korea Selatan. Pemberitaan yang dilakukan oleh CNN pun bersifat internasional, karena target yang dicari yaitu aktor yang terlibat serta audiens yang membaca berita-berita terkait.

CNN pun telah menjalankan fungsi-fungsi komunikasi internasional. Secara tidak langsung, CNN telah membantu Korea Selatan dan Tiongkok dalam menjaga perdamaian dan menghindari kesalahpahaman atas isu THAAD dengan menyajikan sudut pandang negara-negara yang terkait. CNN pun telah mendukung pencapaian kepentingan nasional masing-masing negara yang terlibat dengan memberitakan pandangan masing-masing negara mengenai isu THAAD. Tidak hanya itu, CNN secara tidak langsung telah membantu mendinamisasikan hubungan internasional

yang terjalin antara Korea Selatan dan Tiongkok dengan berakhirnya konflik antara Korea Selatan dan Tiongkok mengenai THAAD.
